

Year 1 Learning from Home Activities

Week beginning: 01.06.20

Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs in to [Numbots](#) to practise their fluency facts. Your child can access both of these programmes with their school logins.
- Moving forwards we are advising you to use the following website to work on daily maths video lessons. The materials on this website contain videos, quizzes and worksheets. The site has been backed by the government and has been created to support families with home learning during the coronavirus lockdown.

Year 1 maths – [Addition and Subtraction](#)

Please start learning from the first lesson and work through the lessons in order, so previous learning can be built on.

Daily English Tasks

Spelling

- Every day, please ensure that your child accesses Spelling Shed.

Reading

- Every day spend 30 minutes reading. Make a note of any vocabulary you are unsure of and find out what the words mean.
- Every Monday read through the Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Create a 5Ps poster with the headings, Likes/Dislikes, Patterns and Connections, Puzzles and Possibilities, Predictions and Picture and record your responses to the poem. Once you have read it through and recorded your responses, discuss your ideas with someone else in your family.
- Choose [Extract 1](#) or [Extract 2](#) and read it aloud daily until you can read it effortlessly and fluently like your teacher. Perform it to someone on Friday or record yourself and ask an adult to email it to someone at school who you would like to share it with.

Phonics

- Complete a [phonics](#) session daily. If you have not yet completed phonics work at home, start with lesson 1. Otherwise, continue from the last sound you learnt.

Writing

Choose one of the following:

- Complete the 5 lessons on instruction writing on [Oak Academy](#).
- Complete a [Talk for Writing Home School unit](#) and complete it by the end of the week.
