Daily English Tasks

Reading

- Every day spend at least 15 minutes reading together. This could be you reading a story/magazine/information book to your child or your child telling you a story from pictures in a book or a story from our talk for writing memory joggers available on the [school website](#). Talk about new words or more difficult words you think your child might not know the meaning of.
- Monday, read through Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Help your child to learn the Kindergarten nursery rhyme off by heart, if they don't already know it. Maybe you could film them performing it and send it to a member of staff or family member to brighten their day!
- Listen to the story, '[The Three Billy Goats Gruff](#).' Act out the parts of the goats and the troll like a storyteller!

Writing

- Children can draw their own memory jogger of The Three Billy Goats Gruff and retell the story. Film them being a storyteller. You may wish to send it to a member of staff!
- Have a listen to these other versions of The Three Billy Goats gruff story. Talk about what is the same and different to the first story. [Version 2.](#) [Version 3.](#)
