

Year 1 Learning from Home Activities

Week beginning: 29.06.20

Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs in to [Times Table Rockstars](#) and [Numbots](#) to practise their fluency facts. Your child can access all of these programmes with their school logins.
- Moving forwards we are advising you to use the following website to work on daily maths video lessons. The materials on this website contain videos, quizzes and worksheets. The site has been backed by the government and has been created to support families with home learning during the coronavirus lockdown.

Year 1 maths – [Multiplication and division](#)

Please start learning from lesson 6.

Daily English Tasks

Spelling, Punctuation and Grammar

- Every day, please ensure that your child accesses Spelling Shed.
- Complete the grammar activity sheets – see the 'Extras' tab under the Year 1 tab.

Reading

Every day spend 30 minutes reading. Make a note of any vocabulary you are unsure of and find out what the words mean.

Every Monday read through the Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Create a 5Ps poster with the headings, Likes/Dislikes, Patterns and Connections, Puzzles and Possibilities, Predictions and Picture and record your responses to the poem. Once you have read it through and recorded your responses, discuss your ideas with someone else in your family.

Choose [Extract 1](#) or [Extract 2](#) and read it aloud daily until you can read it effortlessly and fluently like your teacher. Perform it to someone on Friday or record yourself and ask an adult to email it to someone at school who you would like to share it with.

Complete the '[Habitats](#)' comprehension.

Phonics

- Complete a [phonics](#) session daily. If you have not yet completed phonics work at home, start with lesson 1. Otherwise, continue from the last sound you learnt.

Writing

Choose one of the following:

- Complete the 5 lessons on writing an information text on [Oak Academy](#)
- Complete a [Talk for Writing Home School unit](#) and complete it by the end of the week.

| Daily Curriculum Task | | Physical Activity |
|-----------------------|--|--|
| Monday | Science – Watch the video what are mammals? Pretend to be an expert on mammals and record yourself as if you are having an interview, discussing facts about them. | <p>Daily PE with Joe Wicks</p> <p>GoNoodle</p> <p>Cosmic Kids Yoga</p> |
| Tuesday | Geography – Watch this video about France . Choose an area of France and create an advertisement poster/leaflet. | |
| Wednesday | Art - Watch this video about Henri Matisse and have a go at creating your own masterpiece! | |
| Thursday | DT – Watch this video about the journey plastic bottles go on and then complete p.19 of the activity sheets on STEM | |
| Friday | PSHE – Create a poster urging people to recycle plastics | |

Additional Learning Resources that you may find useful

- [BBC Bitesize](#) - Lots of videos and learning opportunities for all subjects.
- [Classroom Secrets Learning Packs](#) - Reading, writing and maths activities for different ages.
- [Twinkl](#) - Click on the link and sign up using your email address and creating a password. Use the offer code UKTWINKLHELPS.
- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [NCETM](#) – Daily maths videos for home learning
- [IXL online](#) - There are interactive games to play and guides for parents.
- [Topmarks](#) – Learning games and apps
