

Year 2 Learning from Home Activities

Week Beginning: 13th July 2020

Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs in [Times Table Rockstars](#) and [Numbots](#) to practise their fluency facts. Your child can access all of these programmes with their school logins.
- **Fluency Practice** - Keep rehearsing your multiplication **and** division facts. Here is the link to the [number rolling](#) videos we've watched in school. Remember to roll short **and** long e.g. one 2 is 2, two 2s are 4.... Remember, by the end of Year 2 you should be aiming to fluently know your multiplication and division facts for the 2s, 5s, 10s, 3s and 4s.
