

Welcome

SATs Information and Guidance

What are the SATs?

- SATs are the Standardised Assessment Tests that are given to children at the end of Key Stage 2.
- The SATs take place over four days, starting on **Monday 11th May** ending on **Thursday 14th May**.
- The SATs papers consist of:
 - Grammar, punctuation and spelling (paper 1: GPS) – Monday 11th May
 - Grammar, punctuation and spelling (paper 2: Spelling) – Monday 11th May
 - Reading – Tuesday 12th May
 - Maths (paper 1: Arithmetic) – Wednesday 13th May
 - Maths (paper 2: Reasoning) – Wednesday 13th May
 - Maths (paper 3: Reasoning) – Thursday 14th May
- Writing is assessed using evidence collected throughout Year 6. There is no Year 6 SATs writing test.

The key stage 2 tests will be taken on set dates unless your child is absent, in which case they may be able to take them up to 5 school days afterwards.

When are the tests completed?

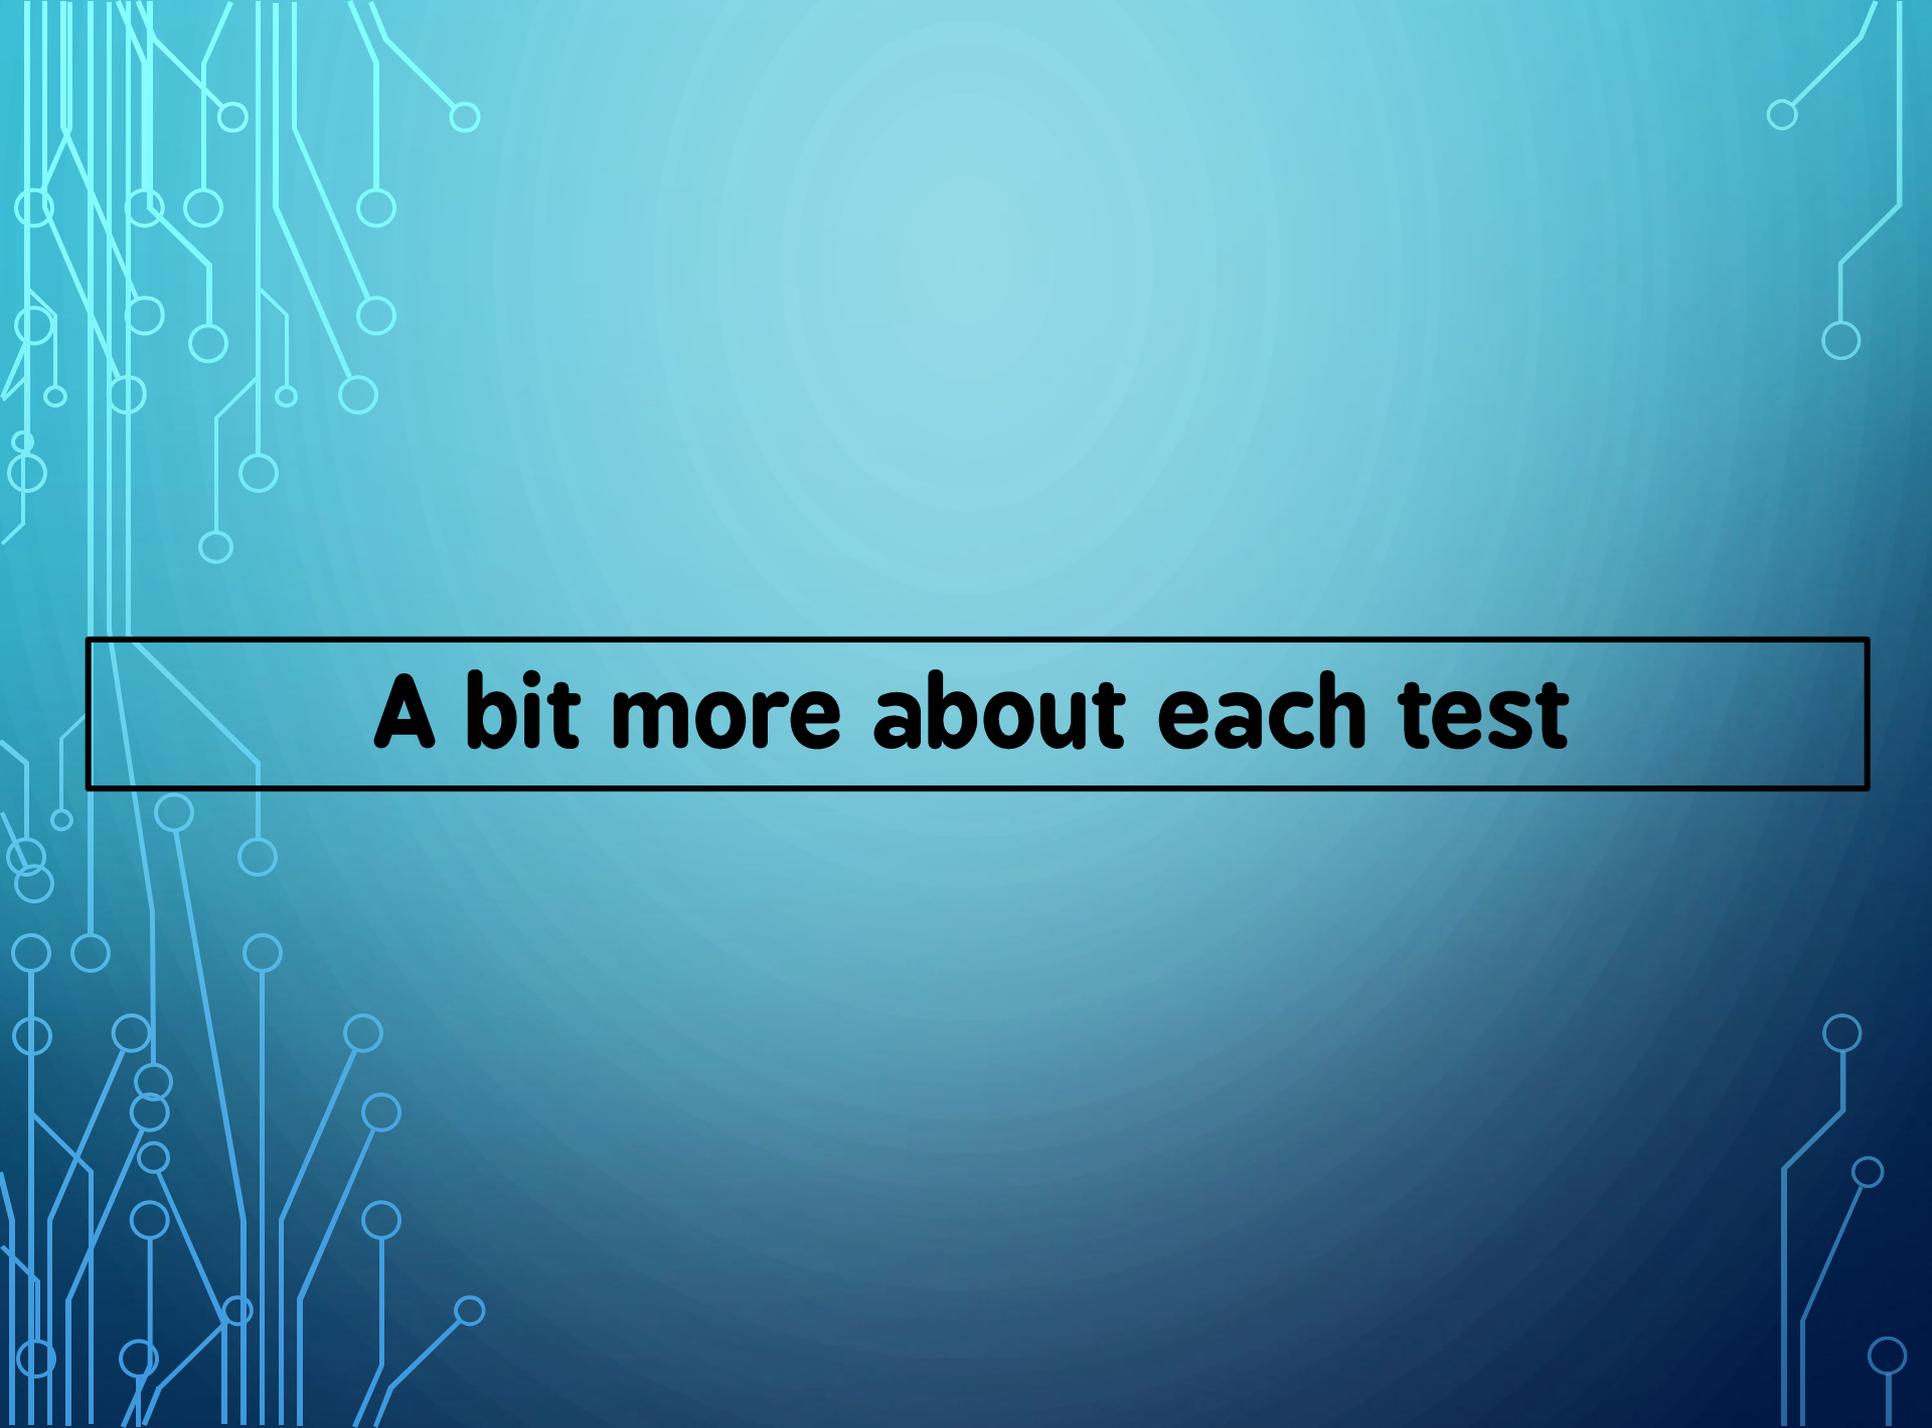

- The tests take place during normal school hours, under exam conditions.
- Children are not allowed to talk to each other from the moment the assessments are handed out until they are collected at the end of the test.
- After the tests are completed, the papers are sent away to be marked **externally**.
- The results are then sent to the school in July.
- Each test lasts no longer than 60 minutes:
 - Spelling, punctuation and grammar (paper 1: Grammar/ Punctuation) – 45 minutes
 - Spelling, punctuation and grammar (paper 2: Spelling) – 15 minutes
 - Reading – 60 minutes
 - Maths (paper 1: Arithmetic) – 30 minutes
 - Maths (paper 2: Reasoning) – 40 minutes
 - Maths (paper 3: Reasoning) – 40 minutes

Specific arrangements

Children with additional needs (who have similar support as part of day-to-day learning in school) may be allotted specific arrangements, including:

- Additional (extra) time;
- Tests being opened early to be modified;
- An adult to scribe (write) for them;
- Using word processors independently;
- An adult to read for them (including a translator);
- The use of prompts or rest breaks;
- Arrangements for children who are ill or injured at the time of the tests.

Pupils with an EHCP are automatically allowed up to 25% additional time (except for the spelling paper, which is not strictly timed). Pupils who use the modified large print or braille versions of the tests are automatically allowed up to 100% additional time.

A bit more about each test

Monday 11th May

Grammar, Punctuation and Spelling: Monday 11th May

Grammar, punctuation and spelling consists of two papers.

- Paper 1 focuses on all three elements (grammar, punctuation and spelling or GPS). The paper lasts for **45 minutes**.
- Paper 2 consists of a spelling test only. It should take approximately **15 minutes**, although this is not a set amount of time (pupils should be given as much time as they need to complete the test).

Grammar

Grammar, Punctuation and Spelling: Paper 1 (GPS)

The children will have been working hard with their class teacher on developing and securing their knowledge of the technical vocabulary needed in this test.

This test focuses on:

- Grammatical terms/ word classes;
- Functions of sentences;
- Combining words, phrases and clauses;
- Verb forms, tenses and consistency;
- Punctuation;
- Vocabulary;
- Standard English and formality.

This test requires a range of answer types but does not require longer formal answers.

Grammar

3

Tick **one** box to show where a **question mark** is needed in the sentence below.

"Have you finished eating your lunch?" asked Hannah

1 mark

7

Circle the correct **verb form** in each underlined pair to complete the sentences below using **Standard English**.

We was / were going on a school trip to a concert.

The musicians did / done a sound check before the show.

1 mark

43

Rewrite the sentence below in the **active**.
Remember to punctuate your answer correctly.

The local park is maintained by the council.

The council maintain the local park.

1 mark

Spelling

Paper 2 is a shorter paper that focuses solely on spellings.

Example questions:

Spelling

1. There was a brave _____ in the story.
2. The children walked home _____ the park.
3. We were _____ for our hard work.
4. I enjoy reading _____ stories.

2025 Spelling script

Spelling 1: The word is **knight**.

There was a brave **knight** in the story.

The word is **knight**.

Spelling 2: The word is **through**.

The children walked home **through** the park.

The word is **through**.

Spelling 3: The word is **rewarded**.

We were **rewarded** for our hard work.

The word is **rewarded**.

Spelling 4: The word is **adventure**.

I enjoy reading **adventure** stories.

The word is **adventure**.

Tuesday 12th May

Reading: Tuesday 12th May

There is one reading test that lasts for **60 minutes**.

The test is designed to measure if the children's comprehension of age-appropriate reading material meets the national standard. There are three different set texts for children to read. These could be any combination of **non-fiction, fiction and/ or poetry**.

The test covers the following areas (known as Content Domains):

- Give/ explain the meaning of words in context;
- Retrieve and record information/ identify key details from fiction and non-fiction;
- Summarise main ideas from more than one paragraph;
- Make inferences from the text/ explain and justify inferences with evidence from the text;
- Predict what might happen from details stated and implied;
- Identify/ explain how information/ narrative content is related and contributes to meaning as a whole;
- Identify/ explain how meaning is enhanced through choice of words and phrases;
- Make comparisons within the text.

Reading

The reading SATs paper requires a range of answer styles.

Example questions:

2 *An intriguing game*

Which word is closest in meaning to *intriguing*?

Tick one.

exciting

popular

challenging

interesting

An intriguing game

One day in 2005, Phiona followed her brother Brian to see where he was going. Watching silently, out of view, Phiona saw that Brian had gone to a club where children had gathered to play a game with some small black and white pieces on a board. She was fascinated by what they were doing.

The game they were playing was chess. It was so unusual in Uganda at that time, there was no word for it in Phiona's language. Despite this, she was determined to play. She walked six kilometres every day to find out how. Within a year, it was clear that she had a special gift.

2	<i>An intriguing game</i> Which word is closest in meaning to <i>intriguing</i> ? Tick one. Content domain: 2a – give or explain the meaning of words in context Award 1 mark for: exciting <input type="checkbox"/> popular <input type="checkbox"/> challenging <input type="checkbox"/> interesting <input checked="" type="checkbox"/>	1m
----------	---	-----------

Reading

Example questions:

25 Look at the whole text.

Tick **one** box in each row to show what the text tells you about the lights.

	Yes	No
where they are placed		
what colour they are		
how many did not work		
what they are used for		

Qu.	Requirement	Mark															
25	<p>Look at the whole text.</p> <p>Tick one box in each row to show what the text tells you about the lights.</p> <p>Content domain: 2b – retrieve and record information or identify key details from fiction and non-fiction</p> <p>Award 1 mark for all four correct:</p> <table border="1"> <thead> <tr> <th></th> <th>Yes</th> <th>No</th> </tr> </thead> <tbody> <tr> <td>where they are placed</td> <td>✓</td> <td></td> </tr> <tr> <td>what colour they are</td> <td>✓</td> <td></td> </tr> <tr> <td>how many did not work</td> <td></td> <td>✓</td> </tr> <tr> <td>what they are used for</td> <td></td> <td>✓</td> </tr> </tbody> </table>		Yes	No	where they are placed	✓		what colour they are	✓		how many did not work		✓	what they are used for		✓	1m

Reading

Since the current testing formation for the SATs began in 2016, there has been a tendency for three types of questions to be the most popular.

In the 2025 Reading SATs paper,

- 12% of marks could be gained from answering questions involving giving and explaining the meaning of words in context;
- 30% of marks could be gained from answering questions involving retrieving and recording information or identifying key details from a text;
- 48% of marks could be gained from answering questions involving making inferences from a text and justifying inferences with text evidence.

When reading with your child at home try focusing on these types of questions.

Wednesday 13th May and Thursday 14th May

The maths assessments consist of three tests.

- Paper 1: Arithmetic (30 minutes) – Wednesday 13th May
- Paper 2: Reasoning (40 minutes) – Wednesday 13th May
- Paper 3: Reasoning (40 minutes) – Thursday 14th May

Arithmetic

Example 1 mark questions:

25	5% of 860 =	<input type="text" value="43"/>	1 mark
	Using known fact of 10% of 860 = 86 And 5% is half of 10%		
	$86 \div 2 = 43$		

26	$\frac{5}{8} \div 3 =$	<input type="text" value="5/24"/>	1 mark
	$\frac{5}{8} \times \frac{1}{3}$		
	$5 \times 1 = 5$		
	$8 \times 3 = 24$		
	$\frac{5}{8} \times \frac{1}{3} = \frac{5}{24}$		

Example 2 mark question:

14	$\begin{array}{r} 614 \\ \times 32 \\ \hline \end{array}$	<input type="text"/>	2 marks
	Show your method		

Maths Reasoning

Paper 2 will take place on Wednesday 13th May and paper 3 will take place on Thursday 14th May. These tests have a total of 35 marks each and lasts for 40 minutes each.

These papers require children to demonstrate their mathematical knowledge and skills, as well as their ability to solve problems and their mathematical reasoning. They cover a wide range of mathematical topics from key stage 2 including,

- Number and place value (including Roman numerals);
- The four operations;
- Geometry (properties of shape, position and direction);
- Statistics;
- Measurement (length, perimeter, mass, volume, time, money);
- Algebra;
- Ratio and proportion;
- Fractions, decimals and percentages.

Maths Reasoning

Example questions:

18

Tick the fractions that are greater than $\frac{2}{3}$

$\frac{5}{6}$

$\frac{4}{9}$

$\frac{9}{12}$

$\frac{11}{15}$

$\frac{10}{21}$

2 marks

20

Sophie thinks of two prime numbers.

She adds them together.

Her answer is 24

Write **all** of the different pairs of prime numbers that Sophie could think of.

and

and

and

2 marks

Maths Reasoning

Example questions:

16 Here are two boxes.

The mass of the first box is $1\frac{1}{4}$ kilograms.

The mass of the second box is 1.4 kilograms.

What is the **difference** in mass of the two boxes?

Give your answer in kilograms.

Show
your
method

A large grid for showing the method. A small box labeled 'kg' is provided for the answer.

2 marks

13 Write these numbers in order, starting with the **least**.

$$\frac{9}{100}$$

0.999

$$\frac{99}{100}$$

0.009

least

1 mark

Writing

- Writing will be 'Teacher Assessed' internally.
- Teachers will use the Teacher Assessment Framework (TAF) and Exemplification materials to judge if a pupil is working at the expected standards, above the expected standard or working towards it

Writing – Working at the Expected Standard

The pupil can:

- write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (e.g. the use of the first person in a diary; direct address in instructions and persuasive writing)
- in narratives, describe settings, characters and atmosphere
- integrate dialogue in narratives to convey character and advance the action
- select vocabulary and grammatical structures that reflect what the writing requires, doing this mostly appropriately (e.g. using contracted forms in dialogues in narrative; using passive verbs to affect how information is presented; using modal verbs to suggest degrees of possibility)
- use a range of devices to build cohesion (e.g. conjunctions, adverbials of time and place, pronouns, synonyms) within and across paragraphs
- use verb tenses consistently and correctly throughout their writing
- use the range of punctuation taught at key stage 2 mostly correctly[^] (e.g. inverted commas and other punctuation to indicate direct speech)
- spell correctly most words from the year 5 / year 6 spelling list,* and use a dictionary to check the spelling of uncommon or more ambitious vocabulary
- maintain legibility in joined handwriting when writing at speed.

The results

Tests are marked externally. Once marked, the tests will be given the following scores:

- A raw score (total number of marks achieved for each paper);
- A scaled score (see below);
- A judgement on if the National Standard has been met.

After marking each test, the external marker will convert the raw score to a scaled score. Even though the tests are made to the same standard each year, the questions must be different. This means the difficulty of the tests may vary. Scaled scores ensures an accurate comparison of performance over time.

Scaled scores range from 80 to 120.

A scaled score of 100 or more shows the pupil is meeting the National Standard.

What Happens on the Day of a Test?

- Breakfast Club
- Warm Up
- Papers distributed and the test begins
- Children work independently
 - time checks
 - readers
 - special arrangements
- Papers collected, sealed, locked away ready for collection

Afterwards

- Sent to external markers or marked electronically by external markers.
- Results returned to school in July to be collated and shared with parents.
- Papers are not returned but can be accessed by school on-line

Preparing Your Child in School

- High quality teaching and feedback, helps children to identify their strengths and areas for development
- Additional small groups
- Practise answering SATs questions in lessons and practice SATs tests.
- Working under timed conditions.
- Home Learning
- Revision guides and revision set
- Doodle Maths added extras
- Support and reassurance of the staff in school.

How to Help Your Child

- First and foremost, support and reassure your child that there is nothing to worry about and they should always just try their best. Praise and encourage!
- Ensure your child has the best possible attendance at school.
- Support your child with any home learning tasks including revision packs.
- Reading, spelling and arithmetic (e.g. multiplication tables) are always good to practise.
- Talk to your child about what they have learnt at school and what book(s) they are reading (the character, the plot, their opinion).
- Make sure your child has a good sleep and healthy breakfast every morning!

Things to remember about SATs

SATs focus on what children know about Maths and English.

They will not reflect how talented they are at science, geography, art, PE..., and they certainly won't highlight all their amazing personal characteristics.

SATs don't tell the whole story.

Their results will say if they did or did not meet a certain standard but not necessarily by what margin. These thresholds change each year according to the overall national performance, so what was classed as 'meeting the expected standard' this year might not be the same as last year. Your school may be able to provide you with more detailed feedback.

SATs are only four days out of a whole Primary School career.

In reality, there's one or two papers each day that last 30 to 60 minutes.

If you are worried about your child

SATs often induce a certain degree of worry or anxiety but there is, of course, a tipping point.

SATs anxiety should not:

- Affect a child's appetite
- Affect a child's sleep
- Affect a child's personality
- Induce panic, tears or disengagement from lessons or hobbies
- Be a reason not to attend school.

If any of the above are evident, SATs may be causing an excessive degree of anxiety and may benefit from some additional support. This isn't about removing the reality of SATs but rather equipping your 10 or 11 year old with the ability to better cope with the situation.

If you are worried about your child

Talk to the school

Sometimes concerns present at home and not at school. If you notice a change in your child, talk to the school so that everyone concerned can offer the support needed.

Talk to your child

Talk to your child about what aspect of SATs concerns them the most. If you can help them pinpoint what is bothering them the most, you can take specific steps to help reassure them.

Encourage your child to talk to their teacher

SATs are obviously linked to school. Don't be surprised if your child would prefer to seek reassurance from teachers over family members.

Try not to project your own anxieties or views about the SATs

Children can be very intuitive. If they see that you are anxious, this could add to their own anxieties. Similarly, if you don't believe in SATs, your child may reflect this view.

Advice for Year 6 children

- Listen to your teacher.
- The adults you work with all want you to do your best.
- Get plenty of sleep and eat well, this will help your brain.
- Read all the questions carefully. This can help you to avoid silly mistakes.
- Don't panic. There may be questions you think you can't answer. Take a deep breath. Read it again. You can always move on and go back to it later. It's often better to write something rather than nothing.
- Remember that the Year 6 SATs last for 4 days out of your whole life!

“Stay focused in class so you don't have loads of extra studying to do at home!” – Year 7 pupil's advice.

If you have any questions about the SATs tests, I am more than happy to answer them at parents' evening.
