

# Year 6 Learning from Home Activities

Week beginning: 1.6.20

## Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs in [Times Table Rockstars](#) to practise their fluency facts. Your child can access all of these programmes with their school logins.
- Moving forwards we are advising you to use the following website to work on daily maths video lessons. The materials on this website contain videos, quizzes and worksheets. The site has been backed by the government and has been created to support families with home learning during the coronavirus lockdown.

[Oak National Academy Online Classroom – Year 6 Maths](#)

**Please start learning from the first lesson and work through the lessons in order, so previous learning can be built on.**

## Daily English Tasks

### Spelling

- Every day, please ensure that your child accesses Spelling Shed.

### Reading

- Every day spend 30 minutes reading. Make a note of any vocabulary you are unsure of and find out what the words mean.
- Monday read through Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Create a 5Ps poster with the headings, Likes/Dislikes, Patterns and Connections, Puzzles and Possibilities, Predictions and Picture and record your responses to the poem. Once you have read it through and recorded your responses, discuss your ideas with someone else in your family.
- Choose an extract from [The Iron Man](#) or [Jungle Drop](#) (page 1 and 2) - look for the orange 'read an extract' box - and read it aloud daily until you can read it effortlessly and fluently like your teacher. Perform it to someone on Friday or record yourself and ask an adult to email it to someone at school who you would like to share it with.

### Writing

**Choose one of the following:**

- Complete the 5 lessons on ['Letters of Complaint' Oak Academy](#)
- Listen and take part in [Pie Corbett's Radio Blogging show](#)
- Complete a [Talk for Writing Home School unit](#) and complete it by the end of the week.

Daily Curriculum Task		Physical Activity
Monday	Science – watch the videos and work through activities on <a href="#">'Adaptation, inheritance and evolution'</a>	Daily PE with Joe Wicks  GoNoodle  Cosmic Kids Yoga
Tuesday	Music – Learn the 'Sing Up' <a href="#">song of the week</a>	
Wednesday	Art – <a href="#">Optical illusions</a>	
Thursday	Create a 'Hello' message to share with your friends in school and at home. It could be a picture, a letter, a poster etc...ask your parents if they can take a photo and email to Miss Ball	
Friday	Think positively! Write about the positives you have identified during this period. For example, a sense of community, improvements to the environment, a renewed appreciation of family and/or friends etc.	

## Additional Learning Resources that you may find useful

- [BBC Bitesize](#) - Lots of videos and learning opportunities for all subjects.
- [Classroom Secrets Learning Packs](#) - Reading, writing and maths activities for different ages.
- [Twinkl](#) - Click on the link and sign up using your email address and creating a password. Use the offer code UKTWINKLHELPS.
- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [NCETM](#) – Daily maths videos for home learning
- [IXL online](#) - There are interactive games to play and guides for parents.
- [Topmarks](#) – Learning games and apps
