

Year 5 Learning from Home Activities

Week beginning: 13th July 2020

Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs in [Times Table Rockstars](#) and [Numbots](#) to practise their fluency facts. Your child can access all of these programmes with their school logins.
- Moving forwards we are advising you to use the following website to work on daily maths video lessons. The materials on this website contain videos, quizzes and worksheets. The site has been backed by the government and has been created to support families with home learning during the coronavirus lockdown.

[Oak National Academy Online Classroom – Year 5 Problem Solving](#)

Please start learning from the first lesson in the unit and work through the lessons in order, so previous learning can be built on.

Daily English Tasks

Spelling, Punctuation and Grammar

- Every day, please ensure that your child accesses Spelling Shed.

Reading

Every day spend 30 minutes reading. Make a note of any vocabulary you are unsure of and find out what the words mean.

Monday read through Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Create a 5Ps poster with the headings, Likes/Dislikes, Patterns and Connections, Puzzles and Possibilities, Predictions and Picture and record your responses to the poem. Once you have read it through and recorded your responses, discuss your ideas with someone else in your family.

Read the extracts from '[I, Cosmo](#)' or '[Skychasers](#)' and read it aloud daily until you can read it effortlessly and fluently like your teacher. Perform it to someone on Friday or record yourself and ask an adult to email it to Miss Yildiz.

Complete '[The Highwayman](#)' Comprehension.

Writing

Complete the second week of your [Talk for Writing Home School unit](#).

Daily Curriculum Task

Monday	Science Electricity – Lesson 6 This might be listed under Wednesday, or click here and scroll down
