

Year 2 Learning from Home Activities

Week beginning: 8th June 2020

Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs into [Times Table Rockstars](#) and [Numbots](#) to practise their fluency facts. Your child can access all of these programmes with their school logins.
- Moving forwards we are advising you to use the following website to work on daily maths video lessons. The materials on this website contain videos, quizzes and worksheets. The site has been backed by the government and has been created to support families with home learning during the coronavirus lockdown.
