NSPCC online safety workshops for parents and carers

Dear Parents and Carers

The NSPCC's *Speak out. Stay safe.* programme is visiting our school to make sure our pupils have the knowledge and understanding they need to stay safe from abuse on Tuesday 30th April 2019. This is a nationwide programme for every primary-school-aged child in the UK and Channel Islands. With the help of their friendly mascot Buddy, they'll be presenting an assembly to the children in our school as well as a workshop for Years 5 and 6.

Will you join us and help keep all children safe online?

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

Online safety workshops for parents

As part of this, they're running free **online safety workshops for parents and carers** and will be hosting one here at the Ridge Primary School at 2:00pm on Tuesday 30th April 2019. We would like to invite all parents and carers to join.

The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

To take part in this great opportunity please complete and return the attached reply slip by Friday 12th April.

Until then, if you need any support or guidance, check out the NSPCC [website pages](#) and [step-by-step guides online](#), call the **O2 and NSPCC Online Safety Helpline** on **0808 800 5002**, or pop into your local O2 store for help from a Guru.

Yours sincerely

Mrs D Hudson
