

Reception Learning from Home Activities

Week beginning: 29th June

Daily Maths Tasks

- Every day, please ensure your child accesses [DoodleMaths](#). We check this throughout the week to monitor how individuals are progressing and to set specific 'added extra' tasks for pupils to complete. Please ensure your child also logs into [Numbots](#) to practise their fluency facts. Your child can access all of these programmes with their school logins.
- Moving forwards we are advising you to use the following website to work on daily maths video lessons. The materials on this website contain videos, quizzes and worksheets. The site has been backed by the government and has been created to support families with home learning during the coronavirus lockdown.
- Look at the section [Measures](#)

Please start from lesson 1 and work through the lessons in order, so previous learning can be built on.

Daily English Tasks

Phonics

Please use the following link to carry out a [daily phonics session](#). Continue on from your last session. The sessions are linked to the sounds and words in your Wonderful Word book.

Reading

- Every day spend at least 15 minutes reading. This can be reading a story to members of your family or sharing a book together.
- Monday - read through Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Have a go at learning the poem throughout the week, then perform it to your family. They could maybe record you and email it to us.
- Read the extract of [Hungry Babies](#) with an adult, as some words might be a bit tricky. The extract includes some rhyming words, how many different words can you think of that rhyme. You might need to set up a username and password to access it.

Writing Choose one of the following:

- Complete the 5 lessons on The Trouble with Dragons on [Oak Academy](#)
- Complete a [Talk for Writing Home School unit](#) and complete it by the end of the week.

Daily Curriculum Task – Sinking and Floating		Physical Activity
Monday	Science – Electricity. Talk about how to keep safe with electricity. What items can you find around your home that need to be plugged in or use batteries?	Daily PE with Joe Wicks GoNoodle Cosmic Kids Yoga
Tuesday	Learn about floating .	
Wednesday	Carry out a floating and sinking experiment .	
Thursday	Build a boat that floats .	
Friday	Have a go at mixing colours .	

Additional Learning Resources that you may find useful

- [Classroom Secrets Learning Packs](#) - Reading, writing and maths activities for different ages.
- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- <https://uk.ixl.com/math/reception> - There are interactive games to play and guides for parents.
- [Topmarks](#) – Learning games and apps
- You Tube - Jack Hartmann – does a range of videos to help children learn number bonds.
